I was so sorry to hear of your lost. I'm praying that God will strengthen you and your family. I know the question now is WHY? But you know we can't question God. We just have to know that God doesn't make a mistake and he couldn't anyway because he's a perfect God! And being perfect you would only want perfect perfection in your garden. So Marcus was missing to make a perfect new garden so the Master picked the missing seed for a Beautiful Flower! :o) May God Bless and Keep You and your Family!
