“ First of all, Regina, we are heart broken for you and your family and are in prayer trusting the Holy Spirits ministry. (((((HUGS)))))) At the same time, we are rejoicing for Marcus who finished his race and did it well! We think of him laughing in Heaven, reconnecting with old friends and making new ones. We think of the pure worship and Marcus with arms and heart lifted high! \●/
Marcus was a prophetic man who saw God's purpose for people and pursued it. When I first met Marcus, he told me who I was. It took me a few months to start walking in it and all with the prompting and guidance of the Holy Spirit and Marcus. I respected who he was to me, a mentor, an encourager, at times being iron that sharpened me, and my big brother in Christ Jesus. I miss his laugh and I miss making him laugh. How very much he must be laughing in joy right now!
I think of the vision of the field.. of all those rows and rows of plants that were a result of his labor... fruits of righteousness! And I think of the small portion that was yet to be tilled. Marcus finished that during his illness. He may not have seen the harvest on this side, but he certainly saw it before the Bema seat when our King Jesus Christ showed him! What a beautiful thing!
How very good is our God!

“ We send our prayers of comfort and peace to the family of a remarkable man in the person of Chaplain Marcus Mays. For a short period I was afforded the opportunity to work beside him and benefit from his world class personality at Metro Transit. His role was key during a season of uneasy days from the shooting at the bus depot to the support during the COVID Pandemic. His kind words of support, prayer both publicly and as needed in person was a very positive aid to our community and his presence will surely be missed..... The last interaction we had was brief at Walmart, we had carried on in conversation but realized our wives were waiting. In effort to carry on peacefully we simply signed off with plans to engage again when the time would come again to discuss the goodness of the Lord and encourage each other in faith. Rest well my friend, I thank God for the time we had and the positive effect your presence brought to the job and the community at large.

Sincerely
In Eternal Reflection
Elder Jermaine LaQuinn King Sr.

(May God strengthen your loved ones you left behind...)
