“ I am so sorry for your loss, Matthew. K just found about that your Mom passed. I worked with your Mom for many years at Meijer. She was such a wonderful person. I will miss running into her at Meijer and catching up on each others lives.
I know she is at peace with our Lord and Savior.

To the Watson family, and especially Matt. I send my love and condolence. We shared some good times and fellowships together at each other's home and Good News Deliverance Center. Sister Marquerite loved her family and was a hard working lady. She will be greatly missed.

I am so sorry for your loss. Marguerite was a very special person. Her commitment to helping others was evident in all that she did. She touched many lives through her work in Even Start. She was a dedicated and caring advisor to program participants and an asset to our program team.

“ I have the privilege to have worked with Marguerite for nine years. Along with Mary S. we were a team and our friendship grew outside the walls of Even Start. Marguerite was a nice colleague, a great friend, and an inspiring role model. I am deeply saddened by the loss of my friend, but I am happy because I know that she is with our Lord and reunited with her parents. Marguerite will always be in my heart and in my mind.

Matthew, may the Lord bless you and comfort you during this time.

With love,

Cecilia Sebastiani

“ Sister Marguerite was such a beautiful person. She and I were neighbors for many years. She would constantly invite me and my son Marcus to go to church with her and Matt and one day I decided to go and that decision changed the course of my life forever. She will always hold a special place in my heart. Rest well my dear friend. Love you always... Audra Wilson

“ I still remember Marguerite working hard with her father for my Mom and Dad's 50th wedding anniversary celebration in Battle Creek. Our families have been intertwined for years, with so many loving memories.

Our thoughts and prayers are with the family.

“ I will never forget the first day I met Marguerite! Her sweet Matt is friends with my daughter Leigh-Ann and we were having a Halloween party the year they were in the 6th grade. Miss Marguerite walked Matt to the door so that she could speak to me to make sure that Matt would be supervised and in good hands. From that moment on, the respect I had for her, her parenting style and her love for Matt was immense! I know what a large hole this will leave in Matt's heart and to all who have known her. I count myself lucky for knowing her. Please accept our family's deepest sympathy and know that we are thinking of you during this very hard time.
Love,
