January 4, 2002 - September 2, 2017

Marshawn Daiquan Williams, 15, of Kalamazoo, Michigan, was granted his angel wings September 2, 2017 due to a tragic car accident. He was born January 4, 2002 to Johnnie Mae Jackson and Fredrick Williams Jr., at Condell Hospital in Libertyville, Illinois. Marshawn was a very smart intelligent young man who attended Kalamazoo Central High School.

He also loved to watch his favorite tv shows which were wrestling, Dragon Ball Z, and basketball, which he was very passionate about. His favorite NBA team, was the Miami Heat. He also enjoyed playing the sport of basketball and was very competitive.

Marshawn was a very out-going and a social person, with a magnetic personality which made it easy for him to make friends. He had the ability to be the center of attention when he entered a room, with all eyes on him. Marshawn also had a playful and fun personality and he loved to crack jokes. He loved to talk and debate about anything in conversation with just about anybody! He loved children and spent a lot of time with his siblings, especially his sister, Drea.

“ I am so sorry for your loss. It breaks our heart when death separates us from the ones we love so much. The bible reminds us that soon, "death will be swallowed up forever." (Isaiah 25:8) He will heal our broken hearts by resurrecting our precious loved ones to life again. (John 6:40) I hope your beautiful memories of Daiquan and these promises from God comfort you in the days to come.
