“ I met Maurice thirty years ago. We worked together for 25 years. we have always been friends. We shared birthday parties with our children throughout their younger years. The only cruise vacation I've ever been on was with Maurice and Libby's family. I've bowled on one league for one season in my life and it was with Libby and Maurice. Maurice and myself spend 58 hours a week with each other out of the 144 hours a week. we've always confided in each other about what was going on in our life. Its a privilege to have some one you can talk to when things are less than desirable or the best they have ever been. I LOVE YOU MAURICE AND I WONT FORGET YOU!!!!
