“ *He was a good man, worked with him several years at GLJ. He was the second one out of the plane when we went skydiving for the first time. Kept in touch when he worked at walmart-gull rd he will be missed by me and many others. My Prayers are with you.*

“ *So sad to read about Brad's passing. We were fairly good friends in elementary and junior high, but as often happens went our separate ways in high school. I'll always have fond memories of Brad, his friendly spirit and the great Beach Boys album he turned me on to in 7th grade. I talked to him fairly recently (sometime last year, I think) at Wal-Mart and had no idea he was ill. Our thoughts and prayers are with Brad's family and friends.##imported-begin##Mike & Dianna VanBuren##imported-end##*

“ I am truly saddened by Brad's passing. I saw him less than five years ago at Wal Mart. He was happy and looked so good as I hadn't seen him for a long time. Had I known he was ill, I would certainly have gone to see him. I volunteer at Rose Arbor for Hospice but I am not involved with home visits. Brad is my ex-son-in-law, being an ex does not change the love I had for Brad. My deep sympathies to Marjorie, Mike and all of his friends.
