“ *I knew Charles from my frequent visits to Bartell Drub Stores in Sammamish Washington. He always met me with a smile and remembered my name. I was sad to see him leave. MY heart goes out to his family. He always brightened my day and I am sorry that he has left this earth. He is and will be missed. Know that he is dancing with the angels.##imported-begin##Kimberly Moynihan##imported-end##*

“ Dear family and friends of Charles;

I am saddened to hear of your loss. I was a frequent visitor to the photo counter at the Bartells store in Sammamish, WA, which is where I met Charles. Over the years Charles and I had many laughs while sharing a story or two. He was warm and friendly to everyone; and many in the community seemed to know "Charles from the Bartells". I extend my sincere sympathy to those who knew and loved Charles,

“ *I am a friend of Charles, we worked together at Bartell's, I was so shocked and saddened to hear about him. My heart is broken. The Charles I knew was a caring person who was always there to lend an ear. He won the hearts of his co workers and customers. I am still so very much in shock and my heart goes out to his family and his children, even though I have never met you, he shared many stories of you as he helped me ease my anxiety about have a child of my own. Please feel free to contact me for any reason.##imported-begin##Tiara Nixon##imported-end##*
