“ My deepest sympathies to Clarence's family. Clarence was a kind caring man that use to work with my father at James River. Each summer he would come over to the house and help my dad bale hay. Now he can be reunited with my parents. My prayers are with you as you go through this difficult time.##imported-begin##Stella Veld-Davis##imported-end##

“ To the family,

God will strengthen you in your time of sorrow. It is always difficult for us when one of our loved ones leave this world. Just know when we are saved we will see each other again in that Heavenly home above. I'm praying for you and I know God will comfort you.

God bless and keep you all in his care.
