“ This is Jean Young-Baidy,
I remember when Clifford and his family lived down the street from us and our families became very close friends. Because of being the oldest I was givin the charge of walking Clifford and another little boy to school. Boy!!!! that was a task they use to love to run and chase each other and wrestle. But I never grew tired of walking him to school. I miss him very much, I still cry at times.

“ So sorry for your tragic loss. Clifford was a childhood friend from years ago. We all lived on the South side, four black families in a sea of white. We became good friends and stuck together during those turbulent times of integration. I will cherish those memories of the fun we had on the South side of Kalamazoo in the early 1970's. Godspeed to the family.##imported-begin##Mona (Clark) Augustus##imported-end##

“ To the Jones Family, I remember the last time I saw Clifford it was in September of 1999, just before I moved to Toledo. He had the same big, bright smile and dimples that he had when we were growing up in the Washington Square neighborhood. Our families were connected through Derrick and Annissa who my mother use to babysit. Family the world has lost a good Man, but his legacy will live on. Although I can't be there please know my thoughts and prayers will be with you. Remember that to be absent from the body is to be present with the Lord! Clifford is sleeping with Jesus now and if we live according to the Word we will see him again.

“ I worked with Cliff at Yoplait and considered him to be one of my good friends. I loved his sense of humor and could always make him smile by calling him "Bernie" or "Cliffy"! He was a gentle giant man with a huge heart when it came to family and friends. I will always treasure the memories I have of Cliff. Not only today but in the many days ahead, I will keep all of you in my thoughts and prayers and until we meet again Cliff, may you rest in peace my friend.##imported-begin##Lori Janssen##imported-end##
