“ *I first want to send my deepest sympathy to the family. I had the honor and privledge to know David while living at a home where he once resided, all I can say is God puts people in your path of life, for a reason and I must say David you were in mine for a short period of time but left and lifelong impression. You taught me to laugh all the time, and I can't leave out the dance moves. Although I was saddened by you not being here in the physical anymore, you are now in such a better place. You will forever be missed, but never forgotten. God Bless all his family and friends.##imported-begin##Cherryl Sawyer##imported-end##*
