“ Yup, he chased 'em till they caught 'im. I am proud to have been his best female friend for a couple of years, and will never forget some magical time we spent together. Part of his charm was the abiding love he had--and will express again someday--for his children.##imported-begin##faye lapp##imported-end##

“ I sure used to love drive by the house and seeing Del sit on the porch ... he was such a cool cat and I loved to flirt with him! He'd have is granddaughter Angel and stop by to pick up my granddaughter Dakotah ... Del liked to be grandpa to everyone! I haven't seen him in a while.... but I will always remember him as a kind and caring guy! Patty and Eric, I am really sorry for your loss and I know that you are going through a kind of pain that seems unbearable... Please know there are people who really care about you and are thinking of you and praying for you to find peace in your hearts. May wonderful memories of a great father, grandfather, and friend ease your sorrow!##imported-begin##Trudy Campbell##imported-end##
