“ *If we could bring you back again,
For one more hour or day,
We'd express all our unspoken love;
We'd have countless things to say.*

*If we could bring you back again,
We'd say we treasured you,
And that your presence in our lives
Meant more than we ever knew.*

*If we could bring you back again,
To tell you what we should,
You'd know how much we miss you now,
And if we could, we would.*

“ Glenn was an EARTH ANGEL and I am sure he is a Heavenly angel now. I knew Glen since he was a baby. My Mother seen after him and his mother when he was firstborn , home from the hospital. He was my living doll. Since then and over the years He would call me to see how my family and I was doing, in California. He was the only Williams relative that came to california to offer support when we lost a loved one. I am truly sorry that I could not come to Glenn's funeral, but, he will always be dear to my heart. If we could bring you back again,
For one more hour or day,
We'd express all our unspoken love;
We'd have countless things to say.

*If we could bring you back again,
We'd say we treasured you,
And that your presence in our lives
Meant more than we ever knew.*

Right now you're going through something very difficult, but please hold on to God's unchanging hand. Call on the holy spirit when you need comfort, or peace. In his word he says he will never leave you or forsake you. Just hold on. I love you all, and I'm here for you!
