“ *Ivory – It was a true honor to have met you and to have shared so many great memories together. I'll never forget when you flew down in a private plane to attend my confirmation and made your awesome homemade macaroni and cheese. You were like a second Grandfather to me and Jeremy. You were a stranger to no one and I'm sure you're up there running the show by now...and have made lots of friends. Until we meet again my friend. God bless.##imported-begin##Carrie Stender-Emley##imported-end##*
