“ My thoughts are with you and your family. "Aunt Armida" as I will always remember her was a sweet, loving and fun person. I loved visiting her nice home on Nutmeg Road with Cheryl and Derek.

*I am sorry I did not know until now of her passing. I would have liked to have been at the service this week. My prayers to all of you.*

*Aunt Armida, you will be missed by all who had the pleasure of knowing you.##imported-begin##Judy Cassese##imported-end##*

“ Aunt Armida,

*We will miss you and all the memories of our early family that you would talk of. I remember having fun with all my aunts, uncles and cousins at your home - those memories are priceless to me. You were an important part of every early Christmas that I can remember and a number of other family gatherings, as well. You raised three fine men with pride and leave behind a large family that loves you. May God bless you and keep you always.*

“ *Ralph and Pat,*

*I read in the paper today about your mom and I am very sorry. In the short time I knew you and your mother, I was always impressed with the love, attentiveness and gentle way you both met your mom's needs. Wishing you and your family peace of mind and heart.....*
