

## Mrs. Barbara Jane Redmon

February 25, 1938 - June 1, 2010

The Angels took Mrs. Barbara Jane Redmon home on Monday, June 1, 2010. She was born in Newberry, MI on February 25, 1938, the daughter of Clara and Ernest Johnson. She united in marriage to Benjamin Redmon. She was the mother of six children before her marriage to Benjamin. Barbara loved to bowl and play softball. She volunteered as an EMT with Galesburg Ambulance for several years. Barbara loved children and was babysitter to many children in the Galesburg community, who lovingly called her "Grandma Barb", for many years. She will be truly missed and not forgotten by all who's lives she touched. She leaves to cherish her memory: her husband of 40 years, Benjamin. Barb loved burnt toast and burning food for others! That's why she had a smoke detector.

“ My loving Grandma,  
You are at peace now. Jesus has taken all your pain away. I hope that he made you an angel to watch over my children from heaven, or maybe even here on Earth. Some things we don't understand, simply because God did not intent for us to understand them! I choose to believe you are watching over them. You loved and cherished them as much as you did me! I love you so very much! You can rest now Grandma.  
I love you!

“ Your passing is heartbreaking. You will be missed by so many Grandma Barb! So many memories that my brother Ian and I have of you during the years that we were blessed to have such a caring and loving sitter in our lives. You gave us many memories to cherish. Almost always the first kids there and last one's to leave. Always remember the morning breakfast, cartoons and vaccum time, nap time with your soaps, swimming in the pool, the bee's by the back door, your front porch in the evening and most of all your aprons! You will always be missed. To the family of Grandma Barb, our thoughts and prayers are with you all.##imported-begin##Chelsea Pearce##imported-end##

“ Mom,  
There will not be a day pass by that you will not be in your thoughts. But the hope we have is seeing you again in heaven and is what we will stand on. I know you are there and that your days of hard work and suffering are over. No more tears and no more pain. Even knowing that, it still makes it very hard that you are gone and we will never hear your voice again here on this earth, or see you working away in the kitchen. and the smile that you would get over the simplest things, and the love you had for your kids. We love you and always will.

And till we see you again love

I'm so very sorry for your loss. I will miss her so much. I know she's in a better place, and she's with Jasmine now. No more pain and suffering. She fought hard and long and God saw Aunt Barb could take no more, so he took her home with him.
