“ Della was a Very Special Person, who was always there for me. Whether it was just a smile, a laugh, advice, or a Pepsi!!! We always had a wonderful time. She taught me to ride a two wheel bike, and tried to teach me to play poker and to make(homemade bread, which I never learned to do.) Whatever it was, we had a Great time doing it. I will miss her so much. Judy##imported-begin##Judy Heckema##imported-end##

“ Our sympathies to the family. I know she will be greatly missed. This website allowed us to view her wonderful pictures and think of her even though we were in Virginia and not Michigan with her family. Memories last forever.##imported-begin##Louis C. “ To the family, prayers will be with you today in getting through such a rough time. We will miss her greatly, her smile and laughter at family get togethers. Her and my mom, Marilyn Boden always seemed to hit it off at family meetings. Even though I didn't get to see her very often, the times I do remember her was always a great lady with a smile. I have to work today and cannot make the funeral, but my prayers and thoughts will be with the family.

“ Della Jane was a very special niece to me. She spent a lot of time at our house in her younger years. She made a trip to Alabama to see us in the worst ice storm. She brought Betty with her and they had quite a time getting home because of the ice. She was always in a happy frame of mind and liked to have fun.##imported-begin##Clelia Dooley##imported-end##

“ I am so glad, my sister Catherine, and daughter Dawn, and I were able to see Della at the Bingo game. My brother Stan and I would bring my dad (Uncle Rock) over on Friday's for poker, so he could see everyone. Della would help me play, because I had no clue as to how to play poker.##imported-begin##Joyce French##imported-end##

“ Dear Sheila and Chris and Family, I am very sorry to hear about your mothers passing. Knowing that your mom had her faith in the Lord I pray that brings comfort to you and your family at this time as she is walking with Jesus this very hour. I have fond memories hanging around your house while both parents were hard at work. As we drank lots of kool-aide and raided your kitchen cabinets for food. My very musicaly talented friends always at practice. When Delta came home, seeing a bunch of the kids from the neighborhood hanging around as tired out as she may have been at days end . Delta was always very nice and asked how Lila and Chuck were doing. She will be missed by the friends and family that knew her from years gone by. Thinking of you now and always.
