“ *To Joan's family, I always wanted to be the one to wait on her when she came to the Meijer service desk. She was very friendly and fun to talk with. Loved the different wigs! She was loved and is missed. God bless your family with His comfort. Love to you all.##imported-begin##Patti Cline##imported-end##*

“ *Jesus said to his disciples, don't be worried! Have faith in God and have faith in me. There are many rooms in my Father's house. I would not tell you this unless it were true. I am going there to prepare a place for each of you. After I have done this, I will come back and take you with me. Then we will be together. You know the way to where I am going.*

“ To Joan's Family:

I have known Joan for many years as a resident of New Horizon Village. She is known to all who see her as the pretty lady with all those different wigs.

When I worked in the office, we would send maintenance to help her carry her shopping bags as she got off the bus.

What a wonderful lady who will truly be missed.
