“ *My sincere sympathy in the loss of a great, gentle lady and wonderful nurse.
I had the privledge to work with Judy at Borgess and Hospice Care of Southwest Michigan, she was truly a role model in her living and in her dying.
I am so glad I was able to attend her party the week before she dies.
Sidncerely,

“ Karen- I am so sorry for your loss, but glad for Heaven's gain! It will take a while, but time does help, a little.
A few times recently, I've thought about pinnacle and noodles & tomatoes:) I have happy memories of those times.
Your Mom, my "muller", was one of the neatest people I have ever met. She always saw the positive in everyone and everything.

Again, Karen, I am sorry and I do know what you're going through right now, and if you ever need to talk, I will always be there to listen.
I don't have your phone number or I would call you. My number is (269)-491-1787

Love you and thinking of you,

Penny

P.S. Please let know when the service will be, either via phone or e-mail. Thanks.##imported-begin##Penny##imported-end##

“ Mom, I'm so happy that you're free of pain and on your way to your next adventure, yet I'm so saddened by the loss of "you." I have an ache in my heart that will take some time to heal. Just know that I love you and I thank you for giving me life and teaching me to live, love and laugh. I'm so proud that you were my Mom, my friend, my confidant. Get Heaven ready, because when I get there, it will never be the same... I love you and miss you but will see you again.##imported-begin##Karen Knickerbocker##imported-end##
