“ I knew Laura, "Pee Wee" by playing softball with her. She was one of the nicest, most considerate people I've ever had the pleasure of meeting. Even during some of the most competitive softball games, she always showed such sportmanship and kindness both toward her teammates and apponants: I always found that admirable and I am fortunate that I had the pleasure of knowing her.

She was a favorite of my father, he always loved to watch her run! She was so fast. If she got on base we always knew she'd score because she ran so fast no one could get her:) My condolences go out to her family and friends. She left us way too soon.##imported-begin##Joyce (Hadley) Moore##imported-end##
