“ *Amber was a bright and happy person, My children looked forward to seeing aunt amber on many occasions. I remember when she had Nevah and her mom called to tell the kids they were so excited to get to go see her and the new baby at the hospital. They were very happy to have gotten to spend time and know amber in their life. we are all very sad with the loss.##imported-begin##Kim Whitney and Family##imported-end##*

“ I am very sorry for your loss. I didn't know her long and I didn't know about her past. But for the short time I had with her she was a very sweet girl and I do believe she was trying to get her life back together. I know the last couple of years had to be hard for her and her family. Again my deepest sympathy.##imported-begin##Helen Orta##imported-end##
