“ I worked with Lula for many years at FIA and she was special friend. I remember how kind she was to the foster children and they would tell her their troubles. Lula always had a smile even when she wasn't feeling well herself. I will miss her.##imported-begin##Maggie Bresz##imported-end##

“ *Lula (aka Mubby), I am so sorry I was not able to come visit you after touching base with you all these years. We talked on the phone after much crying, laughter, then more laughing and even more laughing. How you took me back to a more innocent time of my life. St. John street - Gilmore Bros Ice Cream parlor - you, me and Willie May - I will never forget you as long as I live. You will always be with me until we meet again.... Love you deeply in my heart....*
