

Ms. Sheana Danielle Blanchard

January 27, 1989 - March 28, 2010

Sheana Danielle Blanchard went home to be with the Lord after a long illness on March 28, 2010. Sheana was born January 27, 1989, in Kalamazoo, MI. She was raised by her Grandma-Mom Black and her father, Scott Blanchard. Sheana fought her illness very bravely. You couldn't stop her from being busy. She had such a big heart, and cared more about everyone else and animals than she did about herself. She would bring home every animal that would cross her path in need of a home and would invite anyone who was hungry to her house to eat. Sheana loved Chinese food, her laptop, taking pictures of HERSELF, family and close friends. Although her family was the most important in her life, Sheana was also blessed with so many friends and her very close friend, Maggie. She was preceded in death by her mother, Julia Coon; her aunt Toni Hamlin; her grandfather, Paul Blanchard; and her Grandpa Wood. She leaves to cherish her memory: her grandmother who raised her, Grandma-Mom (Diane) Black; her father, Scott Blanchard; Grandma Pat; Grandma Wood; Grandpa Jim; brothers and sisters: Travis Coon; Ashley Blanchard; Taylor Coon; cousins: Ryan Courtney (her special buddy), Amber Courtney, Jason Bourdo, Michelle Hamlin, Mike Tisdell, Aunt Deanne Bourdo, Uncle Jay Bourdo, Aunt Becky, Uncle Larry, and many other very special family and friends.

“ Sheana...wow. Where to begin. Well first off, I'm going to miss you so much. All the fun times we had from the day we met at the bowling alley, until the last time I sat on your porch with you and Rylan. I still can't believe your're gone. It seems like everytime I sign on Facebook, I'm going to see you on there. But I know it won't happen anymore. I know you are in a better place hugging your mom still, surrounded by loved ones! That helps me deal with losing a great friend. Knowing you're smiling down on all your family and friends! We will see each other again someday, and neither you nor I will be in any pain. Until then my friend, I love you!!!##imported-begin##Jeremiah##imported-end##

“ Sheana was an inspiration to me. If I ever needed anything, she was there for me. We had a few rough times but I knew she cared about me and would always forgive me for being wrong. I am going to miss Sheana so much. I've lost many friends, but this one hurts the most. I love you Sheana Danielle. You will always be in my heart. I guess what people say is true, God takes the best first. Everyone that knew you Sheana was blessed because God put an angel in all of our lives. I'll see you some day again Sheana. Save room for me up there.
Love you Sheanie Beanie##imported-begin##Olivia##imported-end##

“ My sweet little baby girl Sheana. You have always been a shining star in my life. I have had so many wonderful and funny moments in my life because of your loving and comical ways. You were an inspiration to us all. I will miss sending chinese food to you everytime you went to the hospital. (It was a "me & you" thing) You always called me when I was sick to make sure I was taking care of myself, even though you were much sicker. You were so outgoing. Nothing ever stopped you from what you wanted to do, that's for sure. I am also happy that you and Ryan were close and I know he wishes he could have been there more. I will miss your big brown eyes and your silly little laugh that I still hear in my head. I will never be able to eat chinese food again without thinking of you. One day we will be there with you, but in the meantime I hope everyone who reads this will count their blessings, because it could always be worse, and live every day as if it were your last, because you never know when your time may be up. We love you Sheana, Aunt Deanne & Uncle Jay###imported-begin##Aunt Deanne ###imported-end##

“ Dear Sheana,

I never got to say goodbye. As a matter of fact I never got to say a lot to you, like how much you taking me in over the summer meant to me you saved my life. I was heading down a road that I didn't want to be on!! I know that when i moved out we were on bad terms and eventually made up but not once did I not think about you or worry about you when I was gone. I'm so sorry that I hurt you. You were there for me when no one else was. Took care of me when no one else would. Listened to my problems and helped me through them. Showed me that I couldn't love someone until I loved myself. And I'm just now figuring out what it means to love myself. If it weren't for you I wouldn't be who I am and who I want to be. You were like a sister to me.

You will always be apart of my life whether here on earth or up in heaven. I hope that you look down on me and know that I miss you so much and Love you a lot I have been crying all day because I don't want to accept the fact that you are gone that you left and that I didn't get to say goodbye.##imported-begin##Erica Anne Bradshaw##imported-end##

“ I want to start off by saying I am sorry for your loss! I first met Sheana when she was hanging around with my step daughter Juli and came over here to stay the night. Then throughout time I would see her because she was hanging around with my nieces and she would have me bring my daughter Korey over to play with Hali. Korey really enjoyed hanging around with them. “ Sheana, I am so glad that I met you and you were a part of my life for the past several years. You've been amazing, no words can describe you! We knew this day would come, but I hoped it wouldn't be so soon! I'm glad you can finally breath freely and you're no longer in pain! I bet you're loving it up there in heaven with your perfect health, flying around with your angel wings with your mom and other lost ones in your lifetime. Your life was way too short, but you fought so hard to make it as far as you did, and for that I will forever be proud of you! "Our Kids" were so sad to hear that you had left this world, but relieved when I told them it meant you would never cough, never be short of breath, never be in pain, and never shed another tear! Zaydie asked if you'd be her angel, I'm sure you'll be watching over all of us. I miss you so much, but I know you're still here with us, we just can't see you. Thanks for being my "Little Butterfly" - until we meet again in Heaven. I love you, Sheana!
❤️ Always!###imported-begin##Angie Ashley###imported-end##

I am so glad that you are out of your pain and you are with your mom and Jesus in his loving hands. We shall all miss you but we shall all meet again in the heavens. This is not just a goodbye but until we all meet again. Bless you Sheana, God Bless you and keep you. May all of your family feel the presence of Jesus in this time grief and suffering but know that he is there and he will be there in their darkness moments waiting to give them the comfort that they need to pull through at this time. Diane and Scott I ask that God fills your heart and that you are strong during this sad time. My prayers are with you and your whole family.
