This is beautiful. May God's peace be with you children. Hold on to the love that has been given to you. Because her voice and touch her love for you has been put up in a memory box. That will be there for you the rest of your life.

“ Nora I'll miss you for the rest of this lifetime. From little girl's to grown women we have shared in each other's life's. I thank God for the time he gave us twin. You are my twin, cousin, my friend and always my family. Love and miss you Nora. May you rest easy. Save a place for me up there.

“ Nora my twin for life. From little girl's to young women, we shared our hopes and dreams. How I remember sitting on the stairs of 1330 E. Michigan. Sometimes laughing other times waiting you cry about something that didn't go right that day. But in the end we always had a smile on our face. I love you my twin and I will miss your presence for the rest of this lifetime. Twin rest easy and hold a place for me up there. Vivian Lampkins Smith.
