“ Pam you will always be remembered as an amazing human being. I was so fortunate to have had you in my life. You treated my children like they were your own flesh and blood. When others were saying things about me you just keep uplifting me. We shared many fun times together cleaning rooms and talking about the Young and the Restless. Your Love for your family has always been an inspiration for me. I enjoyed so many things and times with you and your family. Rest in Paradise my Friend.

“ Mom, you will never know just how much we love you, we hurt so bad, this has been the worst week of our lives. This isn't fair, you should still be here with us. Mom, you were the absolute best mother, grandmother and great-grandmother ever! Your grands and great grands are so blessed to have had you there for every event, holiday, bump or bruise, every trip to the park or every cookout. All the cool stuff you made them for the holidays, all the cookie decorating at Christmas, the spooky Halloween candy dish for trick or treating, all the cool gifts you would make for their teachers, the beautiful wreaths you made and gave us to hang proudly! I have the very last wreath that you made. Hay Girl Hey!
How are we supposed to live without you? How do we carry on without the glue to our family? Thank you mom! For always being here for us, for supporting us, for showing us how to be hard working, dedicated, fun, loving and caring people. For showing us how to be responsible, strong yet compassionate, for showing us that family is everything and to always keep them close to you. There are a billion more things to thank you for, but most importantly... Thank you for holding on as long as you could! For fighting so hard and trying everything that we asked of you! We know you did it all for your family! I was so proud to call you my mom, I was so proud to be seen with you, you were so beautiful to me period. Fly high sweet angel, you will be forever loved and missed. Love Heather
