“ Today is your Birthday and I'm thinking of you dear sister. I remember the day God touched your heart as you and all your sisters stood around my car at Elsie's house listening to the song "Be Blessed". What a glorious day that was. I'm mindful that at 64 years old you are having a glorious celebration in the arms of the Father with Madear, Irene and Bobby. I will forever hold you in my heart. Be Blessed my Sister, I'll love you forever with all my heart. Your Loving Sister. Rochelle
