The Obituary

Ray Anthony Felix entered eternal rest on March 29, 2024. Ray was the youngest son to be born to Ira Galloway and Bernice Palmer on November 27, 1963, in Kalamazoo, MI. Ray graduated from Kalamazoo Central High School in 1981 and decided to join the military serving in the Air Force and being ranked as a Sergeant. Once back home Ray joined the police academy at Kalamazoo Community College where he graduated and later joined the Battle Creek Police Department. In 2000, while still a detective, the current K-9 Felix was named in his honor. Ray retired as a as a lieutenant and went on to move to Port St. Lucie FL. While in Florida Ray became a dean's clerk at Manatee Academy.

In his spare time, he enjoyed coaching, playing golf, and being his children's number 1 fan in whatever sport they participated in. Ray also liked to catch a University of Michigan game or a Steelers football game while drinking a cold beer. Ray or to some, Suga Ray was a genuine kind-hearted, prideful man. He would give you his last if you needed it and you would never know. He was a lot of people's favorite person. Ray was a family man and loved his children. He did not play when it came to his children and their sports.

Ray leaves to carry on his legacy his four children: Rayven Felix of Battle Creek, MI. Ray Felix Jr. of Pittsburgh, PA. Jeremy and Jason Felix of Port St. Lucie, FL. Four Grandchildren: De'Miere, DeMiyah, Dyson, and De'Arah Stewart all of Battle Creek, MI.

Sisters: Thelma Taylor, Azzile Cookie Mitchell, Debra Lee, Betty (Petey) McDaniels, Debra Jackson, and Linda Derall all of Kalamazoo, MI. Brothers: Jackie (Karen) Galloway of Kalamazoo, MI, and Joe (Debbie) Galloway of Houston, TX. Uncle Deacon Charles Green and Aunt Lillie Mae Croff of Crenshaw, MS. Bonus mom Flora Galloway and a host of nieces, nephews, cousins, and friends.

Ray is preceded in death by grandparents Johnny and Azzile Taylor, Parents Ira Galloway and Bernice (Henry) Palmer, Brother Roy Felix, and Aunt Jonnie Bell-Easton

“ I was a student at Manatee academy in 6th grade i was new to the school and he came up to me everyday at lunch, I ended up moving the summer after that to WA state for three years and now I'm in GA I'm coming to visit PSL this upcoming week and I just recently got the news about my most favorite person at that school he had a nickname for me, we used to make videos on my small little tablet and I would help him pick up trash. I was in so much shock and couldn't believe it. I know he is flying high, Thank you Mr Ray Ray for always being there for me and helping me find my way and giving me the love for basketball I will always remember you, Your Little TT loves you!!

“ I extend my deepest, most sincere, heart felt condolences to the children, their family members and friends. I served in the Air Force with Ray Felix. He was always kind, always happy, always smiling and very athletic. I only wish I'd had the opportunity to talk and pray with him. My prayer for today is that God will comfort and keep his children as they mourn the loss of their parents. In addition, I pray that they're offered the support of a therapist, counselor, or mental health professional who can help them process their emotions and cope with the trauma they've experienced. May God bless their mother's soul as she rest in His peaceful and loving arms. To be absent from the body is the be present with the Lord.

“ Ray Ray,

I'm still in stock I'm writing this instead of calling you and you answering Queen then we both burst out in laughter. When we became co-workers at St. Luice county Pretrial we begin this big brother little sister relationship. We laughed and joked every day at work. Our long phone calls were filled with laughter and deep conversations. You were a kind and helpful person. You would help anyone who asked for it. I'm going to miss our phone calls, crazy texts, and your laughter bro. Some things just don't seem real. Rest in Peace.

Queen,

Cotina and John Nichols

“ You were such a great man who had a lot of love in his heart. You were a beautiful person on the inside and outside. No matter what, you will always have a special place in my heart. Gone but never forgotten Ray. Tons of prayers to your children and family not just yesterday and today, but everyday. 🙏❤️

“ We shared many many laughs bro from H.S to our adult lives. Even enjoying time here in Fla at your house with you and Jamie, all of us laughing while your boys ate pizza etc. I'm just truly at a loss for words, and we always had something to say and laugh about with each other. Now I will pray that your souls rest in peace bruh. I will pray for your kids and both families. Love you bro RIP..
