

Rhonda Danita Grubb Reid

April 11, 1959 - November 20, 2015

Rhonda Grubb Reid was born in Port Arthur, Texas on April 11, 1959. She was the seventh child born to Charles and Mildred Grubb.

Rhonda grew up and attended the public schools in Jackson, Michigan and following her family's move to Parma, Michigan, there she continued her primary and secondary education at Western High School where she excelled academically and athletically. She was a standout member of the Panthers' varsity volleyball, track, and softball teams, earning letters in all three sports. While a student at Western she traveled to France with a student group. Rhonda always relished her overseas experience.

After graduating from high school with honors she attended Albion College and Eastern Michigan University. Rhonda spent most of her early adult years in western Michigan where she found employment in the Michigan Department of Corrections where she worked as a guard. She also spent time living and working in Virginia in the financial sector.

In 1990, while living in Virginia, Rhonda married Richard Reid. Their marriage produced two children Danita Janelle and Richard Aaron.

Rhonda was an active and tireless mother, spending countless hours with her children. She delighted in her work as a mother, which, more than any other measure, defines the greatness of her life and the depth of her family's loss.

Rhonda died November 20, 2015 following a long and courageous battle with cancer. She was an avid reader who frequently found peace when involved in bible study. Rhonda was strong, hard-working, and never gave up during any time facing this ultimate challenge.

Rhonda leaves to mourn her memory her daughter Danita and her son Richard. She has three loving grandchildren, Khamyra, Christopher, and Khrystina. She is also survived by her three brothers Charles (Mary), Henry (Monica), and Broderick (Lisa) and her two

sisters Deborah Johnson and Andrea Barthwell (David). She was predeceased by a sister Charissa. She leaves numerous nieces and nephews who will mourn her passing. Rhonda was loved by many and her memory will long be a part of the lives of those she called her friends.

“ I feel very blessed to have attended Western High School with Rhonda. I have many fond memories from those years including the athletic n academic activities we shared. Rhonda was a Dear friend, a neighbor, we rode the bus together, our parents were friends...an absolutely wonderful family. Sadly your folks moved away, and we lost contact thru the years...however myself and mutual classmate Dorothy Woodhurst attempted to locate Rhonda time n time again without success. For that, I will be forever regretful.

Rhonda touched many lives including mine...her kind heart, jovial character, and particularly 2 of her (my most favorite) character traits were that she could always put a smile on your face most often just by laughing that contagious from the soul unique laugh of hers..n last but not least, in all she did she gave her ALL n never ever gave up... she always pressed on, moving upward n onward achieving beyond normal expectations.

To the Grubb family... I thank you for moving to Parma, and for sharing your Beautiful Sister, she was a true ray of sunshine and I am proud to have called her friend.

Today and in the days to come I will keep you all in thought and prayer asking that God wrap his loving arms around you for peace and comfort.

Rest in peace Dearest Friend, until we meet again. Hugz Tera

“ RIP, Rhonda.

Our walk on this planet never seems long enough, but pales in comparison to the walk He has promised us.

May God comfort you in your time of sadness.

Matthew 5:4 – Blessed are those that mourn, for they shall be comforted.

1 Thessalonians 4:13 – Brothers we don't want you to be ignorant about those who fall asleep: or to grieve like the rest of men who have no hope.

*Anxiety in a man's heart weighs it down, but an encouraging word makes it glad.
Proverbs 12:25*
