“ For whatever reasons there may be, you came to me in a dream last night. I knew it had been a few years since we last saw each other and I couldn't get you off my mind today until I decided to look you up and came across this. I'm saddened you left and I wish we had more time to catch up but there'll be time when I get my wings too. Until then, hang tight with Mama G. I miss her too. A friend/brother you've always been and will always be. Love you much big bro!! ☐💔
