I just found out about Bob, words can not tell how I felt about Bob, he was a true friend I so enjoyed the food he cooked, and all the talks we had, I stopped by the house and it looked like no one lived there now I know why. Know I love you and will see you one day I know you will have a pot of coffee ready for me.

“ I am so sorry to hear about the loss of Bobby. I remember meeting him as a 19 year old girl, getting ready to marry into the Lawson family and Bobby and Christine offered me the use of their house for my wedding reception which I remember quite vividly. Christine and Bobby were always so nice to me and treated me like I was family. My prayers and thoughts are with the Polley family and with all the ones who loved Bobby as if was their family.
