“ *We shared the best part of our life with each other. We were young, wild and fun loving. I "saw" Rob in basic training. We were two of the same people, and actually avoided each other. When I got to my duty station in Germany, I walk into the briefing room and who did I see...Rob. We became friends, roommates, running buddies and road dogs. We both helped each other through the deaths of our parents, and now I have to endure the passing of one of the best friends I ever had. To the William's family, my condolences. To Rob from all of us, we miss you and our memories will hold a special place for you. Club Kari in Koln is where we made our mark, LOL. I love you, bro.*

“ I will never forget the first time I met Robert! I thought he was so handsome. Even though we hadn't seen each other in years, I will always consider the Williams family as my family. My deepest condolences to the entire family and may God continue to comfort you all during this time. God bless each and every one of you. Love Beverly Boyd
