“ I am so sorry for your loss. I know it must be hard at this time but I pray that the family is able to cope. Me being one of Jehovah's witnesses I believe in Jehovah's promise for us in the future. This promise is recorded at revelation 21:4 which says "And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away." This truly is a beautiful promise that we can look forward too. A time without death,pain,or tears. It almost seems impossible but Jehovah God is the only One who is able to do this for us. I hope you found this as encouragement. If you would like to know more then you can contact myself or one of Jehovah's witnesses in you local area.
