“ *You go ahead and grieve my family Just keep the Lord in your thoughts as you grieve. I pray right now that God comforts you and the family as you all go through this transition, I pray that he makes all of you stronger, and wiser, and better from this experience. I bind satan right now, in the name of Jesus Christ. AMEN.*

Remember Romney as good memories, smiles, respectful, no trouble person, sat in his own ways, kindness, he was generous to his family and his brother, I can't remember not one time when he was disrespectful or out of line, so I want to remember him just as he was, he definitely will be missed, so much love for him, all the family loved him.
