“ *Ron, I miss your gruff exterior but the soft heart you had inside of you. You made me laugh and I so enjoyed our visits. I believe you enjoyed them too. I miss the phone calls you would make to me and say when I answered..."yeah, what do you want?" in your gruff voice and then the laugh you would give. You always put a smile on my face. You and I were able to tease each other and have fun despite your illness. I truly hope my time with you made your life a little better. You made my experience as being your nurse a most memorable time. I miss you but know you are in a place of joy, love and peace now as you had said you accepted the Lord and believed in Him. I thank God that I had the privilege of knowing you.*
