“ Dear Kandeiss and family, I'm just now learning of your mother's death. I'm so sorry that I missed her services--I would have liked to pay my last respects. Mrs. Manning was always so youthful and joyful. I enjoyed singing with her on various Gospel events. Of course, no one ever believed she was in her 80's! She had such an exuberant, youthful spirit and essence. May God comfort your hearts. Kandeiss you were always such a beautiful daughter to your mom and she was able to do so many things she enjoyed because of our family being so good to your mom. God bless all of you, strengthen and give you peace. Love. Robyn & Howard Robinson

“ Rosemary will my missed by many. I really liked working with Rosemary and often stayed late past the end of my shift to talk with her. She loved to talk about the many trips and cruises she took. I always appreciated her openness and honesty. As Rochelle said, you never had to wonder how Rosemary felt about anything. Condolences to LeBron and family.

“*Rose Mary will be missed. When ever I saw Rose Mary, she would always share her smile. She was a woman that spoke her mind. You never had to wonder what she thought about any subject. She would let you know. I admired her honesty. I believe she is smiling down on your family, letting you know that she's just on her ultimate journey and is at peace. You are in my prayers Le Bon & Family.*
