“ Hey grandma it's been 6 long depressing years without you. My heart aches seeing and hearing that so many people knew how much you loved your great grandkids and how amazing you were to everybody you loved! This hit different because after 6 years of you not being here I still haven't grieved properly. I'm so heartbroken you left , but I know you fought hard to see us grow up. I know you wanted to be there but you couldn't. I understand. I missss you so much lord knows. I need one of those hugs from the side where you held me soooo tight I couldn't nothing but smile or cry harder. Pls come see about me let me know you ok I try to dream of you. I will continue to speak highly of you and love you from the sky. ❤️ See you later Alligator.
