“ *Much love to Peggi and family on the passing of my dear friend, Rueben. Rueben and I initially met while working at a law publisher here in the San Francisco Bay Area some 32 years ago and it was pretty much laughter, joy and fun ever since. 'Rue-by' was a one-of-a-kinder. You could scour the ends of the earth and never come up with such a dazzling character. He was funny like no other, and uniquely, intuitively, gifted. I will miss him dearly and treasure the good times we had. I pray for his splendid and safe passage into the spirit world where I know one day we shall meet again. Sharing a favorite photo of Rueben and how I like to remember him: always joyous, always fun.. Mary Anne Kirkwood*
