“ *Sandy was a friend before she became my sister in law and we remained friends after my marriage to her brother ended. We attended the same school also. Grew up in the same neighborhood and she was a wonderful Aunt and Great Aunt to my children and grandchildren. She would take my kids to the kid movies as she loved going to the kid movies but taking the kids was a good excuse for seeing a kids movie (she didn't want to be the "only adult" going into a kids movie lol). She will be missed by all who loved her. She is no longer in pain, walking the streets of gold in heaven with her mom, dad and all the others in her family who have left us! Even her beloved fur kids were there to greet her! Remember her, talk to her, and always keep her in your heart! She loved you all so very much and would not want you to grieve! I will miss Sandy and will keep the Lawson family in my prayers! God bless you all!*
