“ *A Big Sisters Love*

*Some may say that a big sisters love is undefined
But when it comes to my big sister a few things come to mind
Like that gentle poke when she was being mischievous or sharing a
joke
Her caring and supportive smile that had the ability to light up a
country mile
Or that she was the epitome of inner strength and fortitude
Despite what ever she was going thru
She managed to muster up the strength
To be proud of my accomplishments
Some may say that a big sisters love is undefined
But for me, my big sister will always be
The Definition of What a Big Sisters Love Should Be.*

*God Bless you Sarah.
You will be missed*

*With Love
Your Brother
Michael*

“ Strong, beautiful, caring, funny, mother. There is no one on this planet that could ever take your place. My heart is heavy and I feel so empty. I will miss seeing your smile and hearing your voice. I know you are in a better place now and feeling no pain. So rest mommy. I know you are in good hands and I await the day when I can see your smiling face again. I LOVE YOU!
