“ It saddens my heart to hear of your passing, time goes by and we lose touch with family , its sad. I remember as young kids we sure did get to spend a lot of time together, there was lots of family gatherings. There's a blood line that runs in all of us that cant be destroyed, God gives us the peace that someday Shelia we will all be together!! May your journey be one of pure joy.  
Your forever cousin... Trish
