“ To the family and close friends of Ms Queen Sheila, she will be dearly missed and was a extra special person, when she came in the "ROOM" she lit it up with her friendly personality. She called me a week and a half ago to try to secure a limousine for her niece's wedding in 2017 and wanted to suprise her with the limo, I still have her voice on my message center. I pray that God will give all of you strength as you go through this tough time.

To the daughters and Grand Daughters of Ms. White, May the Lord give you all the comfort you need during this difficult time of the loss of your Mama. I enjoyed getting to know her over the years, I loved seeing her smiling face while attending KVCC. I will miss bumping into her coming out the neighborhood Beauty Shop & Grocery store catching up on our kids & grandkids. Rest Easy & Fly Free With The Angels.

I worked with Sheila at Michigan National Bank back in the 70's., there was never a dull moment, she had so much energy, and her humor made any situation better, her laughter was contagious. She always had a smile on her face. She truly lit up a room just entering it. Wonderful memories of a fine women that I am so thankful to call a friend.It always made my day brighter to run in to her over the years, knew by the voice or laugh that she was there before I even spotted her. So sorry for your loss but Heaven truly gained an Angel, I will cherish our memories and craziness until we meet again. And I am sure I will hear that beautiful voice once again.
