“ I love you and miss you every second of every hour of every day. They girls know you by picture. If I show them a picture of you the tell me it's Nana. It's so sad Lavannah asked me today if you were ever going to come back. :(I miss you Momma. If I could have one wish, it would be that we could have you back as a healthy human. I just want a hug.

I see signs of you're still with me, so I know you are in God's hands. He blessed our family and friends with your love and many antics for all these years. I called you a rebel (you are), fighting for what is right. Many years we shared joy, sorrow, and fighting to make the the world a better place. Your auntie loves you. I am missing you. You are my baby niece!
