“ *To the Family of Stephen 'Steve' Brown, from the McGrew-Holland Family. Sorry that I missed the service. It's not that I did not think about you and your family, but we have another, like family crisis going on at this same time;so forgive me and mine.*

*A great poet once wrote "Our destination is a place far greater than we know. For some the journey is quicker; for some the journey's slow. Now, when the journey finally ends we'll claim a great reward, and find an everlasting peace together with the Lord. I hope that I can make it there and that I will see you again brother. RIP*
