THE OBITUARY

August 9, 1972, the world changed as Susan was born to her wonderful parents, Albert and Wilma Jackson, in Kalamazoo, MI. August 9th is also Wilma Jackson's birthday. Susan was brought up in Bible Baptist Church and accepted Christ as her personal Savior at an early age under the leadership of

Pastor King A. Butler.

Susan attended Comstock Public Schools and during her years participated in many sports (basketball, tennis, soccer) and other extracurricular activities. Volleyball became her passion. She was a lead player in high school, helping the Colts win three state titles. She was inducted into Comstock High School's Hall of Fame in April 2025. She played division one volleyball at the University of Minnesota, was inducted into their Hall of Fame and graduated with a bachelor's degree.

Susan continued her volleyball career, playing professionally overseas in Belgium and the Netherlands.

Susan and DuWayne met in 2001 and were married in Kalamazoo on September 1, 2007. September 1st is also Albert Jackson's birthday. From this union two beautiful children, Jackson (14) and Payton (12), were born.

Susan earned her master's degree at Concordia University St. Paul, MN, where she also worked as an Adjunct Professor, focusing on Differential Education and Special Education. She did this while homeschooling Jackson and Payton.

The aforementioned achievements are beyond impressive; her greatest joy is investing with DuWayne in the spiritual, cultural, and educational well-being of their children. This included several job-related relocation opportunities across the US, and an expat assignment in Bengaluru, India.

In May of 2021, Susan inspired the effort to move closer to family. This determination led to her immediate family relocating to Kalamazoo, where they built and moved into a home she designed.

Susan became actively involved in Bible Baptist Church under the leadership of Pastor Kevin Lavender, Sr. She is part of the youth ministry with her children, is one of the leaders of vacation bible school, sings in the church choir, is a part of the care ministry and most importantly helps to ensure Jackson and Payton understand the importance of service in the church.

Susan believes in living an intentional life. She inspires and encourages others to be the best version of themselves.

Susan's legacy includes being a loving wife and mother, outstanding sister, amazing daughter, fun loving aunt, wonderful sister-in-law, and dear friend to many. To meet Susan is to know Susan, to know Susan is to Love Susan.

She is survived by her husband, DuWayne Walker, her cherished children, Jackson and Payton, sisters Kandyce (Herbert) Walker, Kathy Jackson (Stephen Dallas), sisters-in-law, Sonia Pughsley, and Cassandra Walker; nieces and nephews Brandon (Nicole) Liggins, Brittani Liggins; a host of cousins and friends.

**IN HONOR OF SUSAN and her passion of investing in her greatest joy in the spiritual, cultural, and educational well-being of her children, please consider contributing to Jackson and Payton's educational savings plan through the Michigan Education Savings Program (MESP 529). “ Susan was my roommate and teammate on the University of Minnesota volleyball team. She was a spark of energy, spiritual leader, friend, always laughing and having fun. My college life and volleyball experience would not have been the same without her. Sue was a wonderful person beloved by all. My deepest condolences to her family.

“ 2 Timothy 4:7-8 Susan fought the good fight, she finished the race, she kept the faith. There is no doubt that she was presented with the crown of righteousness as the Lord said to her, "well done, my good and faithful servant." Susan was a devoted follower of Jesus, a wonderful wife and mother, and loved her family with all of her heart.

*Jackson Walker family, we are lifting you up during this difficult time.

Susan will be greatly missed by our family. She was class mate of our children Toni and Todd as well as Todd's Birthday Twin. We have such great memories of Susan and her family when we all lived in Comstock together. Though we all have taken different paths throughout the years we've kept in touch and our bond has never severed. Ironically most of us ended up within 10 minutes or less of each other. We're so happy we have been able to reunion with Sue at Bible Baptist. She has left a beautiful legacy for her children in her home and with her Church Family. We love the Jackson family and have a bond that spans over 55 years with experiences too numerous to mention. Susan will truly be missed. Knowing we'll be part of that great heavenly reunion with her, quiets the grief and broadens the smiles. To her husband Sarg, her children Jackson & Peyton, her parents Al & Wilma, her sisters Kandie & Kathy: Thank You for sharing this beautiful woman and Godly person with us.

All our love and prayers to you all.
