“ Aunt Susan and I would often laugh as she retold the story of how she would come home from city hall and complain to Grandma and Grandpa that she should quit her job. Naturally they never said a word, but their meaning was clear..... keep working. This world lost something special. I was one of the lucky ones, I knew her better than most. Rest in peace Aunt Susan.

“ Susan was one of my oldest and dearest friends. We met in grade school at Lincoln Elementary and we graduated from the old Kalamazoo Central H. S. Every year I could depend on receiving a birthday and a Christmas card from Sue. She is Loved and will be terribly missed by all who had the privilege of knowing her. May the Peace of Our Lord and Savior be with Karen, Kim, and the entire Johnson family.
