“ Although your body is gone, your loving kindness will always be here. There are times I want to call and remember that you will not be able to answer. I miss you, your smile and mostly that laugh the you had. There is no way I will ever forget you. Love you much, your forever friend. Joyce

“ Terry, I want you to know that you are missed more than you know. Me and Anthony talk about you often. Just today we was talking about you and what a kind heartened person you was to everybody. Even though your soul is gone, your kindness will never be forgotten, and we want you to that we carry in our spirits, as well as in our minds. Love you, God Bless!
