*This is a late post, but I did not know Uncle Tommie had been buried! I want to express my deepest sympathy to his wife, Julia for caring for Uncle Tommie during his illness! He was a dear uncle to me. He was a part of my family for many, many years, and spent so much precious time with The Austin and Buford Families during the many vacations made by him and his late wife, Aunt Alma, to Mississippi. He was married to my late aunt, Alma Austin Gordon Daniels. He was my last uncle. I will always cherish the sweet memories of Uncle Tommie. We, The Austin and Buford Families, loved him dearly. I called Uncle Tommie frequently and his sweet wife called me for him about 2 weeks before his transition. He will always be remembered by our family, as a loving uncle. He was always a happy uncle. I will certainly miss our many phone calls. Rest in peace Uncle Tommie your memories will live on in my heart forever! Lovingly submitted, your niece, Katherine Austin Buford*

“ *Tommie was my Sgt when I started at the BCPD in 1973. He was a good man to work for. He stood by you and looked out for you.*

“ *Rest In Blue Heaven Peace My Friend and Co-worker, Your smiles and joking always seemed to get us through the hard times. Yes, it was me who filled your in-box with frivolous non-police articles, along with the official ones that required us to read and initial. I watched as you looked at the first page, sorted it in your mind, and then just put in back in your box and walked away without a word. Your box grew and grew as I chuckled in the background. Rest Easy, You have earned it. Love to you and your family. Larry Gentry (Ret. LT BCPD)*

**Larry Gentry** - September 21, 2023 at 11:41 AM

“ *I am proud to have served with Tommie at the Battle Creek Police Department. A “cop’s cop”, he was bright, friendly, well respected and a natural leader.*

**Terry E Tobias** - September 20, 2023 at 10:32 AM

DO

“ *With deepest sympathy and heartfelt condolences. May God's love ,  
peace and blessings comfort you during this time of loss and always  
!*
