“ I can hear you now “Well I finally made it” , this is so unreal but I know you’re okay, I know you’re playing chess ♠ or dominos and you’re at peace. Grandad I miss you so much, I know it’s selfish but if it was up to me you would’ve lived forever.... I know I was one of your “role dogs” but I’ll be honest I’ve always been jealous of dude because you didn’t let us girls sit in your chair but your “main man” could. I always made the most money 10.00 for As and 5.00 for Bs and anything less than that your dumb😂..... I have SO many memories and stories. Just know that I still barely touch a thermostat and I still dislike SPAM.... I could keep going but I’ll stop here, I love you grandad 🤗 Get your rest!! ☐
