“ Today I learned that my "little sister", through the Big Brothers/Big Sisters, passed away. This is too soon and my heart is filled with sadness. We had many good times together when she was an adolescent that have left me with fond memories. Tonetta will always remain special to me and have a continuing place in my heart. Deepest sympathies to Annie, Tonetta's children, other family members and friends.

“*Tonetta "Brown Suga Bean" I remember when we went out in Benton Harbor years ago and you had that on the back of your shirt! You had a smile that lit up the room and a very giving spirit. I remember the last time I ran into you at the store you always greeted me and my family with a great big hug! You will always be missed and never forgotten. Rest with the Angels my friend and watch of us all down here. I will continue to keep you all in prayer...Weeping may last all night, but joy cometh in the morning. Well done thy good and faithful servant...she is resting in the arms of the Lord. Love you Tonetta!*

“ *Tonetta was such a good person. She always lit the room up when she entered, and left a lasting impression that you could never forget. She was such a beautiful young lady inside and out. She was a peoples person. I've know Tonetta since we were little girls....out in Interfaith Homes. Whenever you saw her there was always a group with her. We could talk forever and she always made you feel comfortable in your conversation. I will miss this young lady sooo much and she will always be in my heart. God has picked another flower....a beautiful one to add to His garden in Heaven. God has you now and you have your golden wings to continue to be in our hearts and lives in spirit, soaring high above us. I love you Tonetta, you will be missed.*
