“ *Dear Lord I Thank You Jesus Christ for lending me (us) your beautiful Angel Wynda Lou Herbert Reed To my beautiful Mother who was and still is my best of friend, my spiritual teacher and as my favorite person who raised 9 children including myself with the love of God and the teaching of laughter. Mother Wynda had abundance of love in her heart and shared amongst others in the community where the love was greatly appreciated and respected as well. My mother Wynda held the highest respect of honors in education and many talents which she maintained in Master Degree in Law; Associates in Science; BS RN for 30 years. Moms talents was very strong from music to instruments (guitar, piano, bongos) cooking and Art (Her Art took top honors at the Detroit Institute of Art)) Thank You Mom for your hard work your strength and your dedication. “ *Note to my family: My name is Yaminhia Hughes my nickname is Measha I am mellissa Herbert oldest daughter wynda lil sis daughter but her their other sister Ernestine hernerbert raised me..... I remember when I was like 12 and I went on the west side of Detroit to meet my auntie Wynda off 7 mile for the first time. She was the coolest auntie couldn't wait to spend more time with her and to get to know her a little better not knowing that, that day would be my first and last time ever meeting my auntie. I really wish that I had a chance to see her, talk to her and laugh with her before she passed I bet we would've been cooler than ever. But for now R.I.H auntie even though your gone you will be truly missed and just know you were loved and we never stop looking for you....love ya til we meet again MEASHA*
